

Air1 serves our community by providing us positive and encouraging music to help us get through the day. It is essential that we do not lose this service or get displaced by LPFM broadcaster because of the effect it has on our community. People rely on Air1 to help them get through the day and it also serves me in this way. It is a great tool that we have to reach out to the community and share our beliefs with our neighbors. I think it would be a drastic mistake to change this station. Please allow Air1 to stay an FM broadcaster. You can never know how encouraging and how much of an impact this station makes on our nation and the world. Thank you.
